

Know Your

RIGHTS GUIDE

All children in the United States, **regardless of immigration status or citizenship**, have the right to a free public education, free from discrimination, harassment, and intimidation.

At **Bridges Preparatory Academy**, we pride ourselves on being a **Safe Haven School**. This means we are firmly committed to protecting our students, supporting our families, and fostering a safe, inclusive, and welcoming environment where **every student can learn and thrive without fear**.

We are aware of the recent immigration enforcement activities in our community and want to assure you that **our school remains a safe and stable place**. We do not allow immigration enforcement officers onto campus without proper legal documentation and are prepared to respond appropriately to ensure respect for the rights and dignity of our students and families.

We are with you. If you have any concerns or need additional assistance, please contact us. We are here to help, **now and always**.
